

Sun Orchard, Inc. announces Fuji Apple Juice!

Tempe, AZ April 1, 2008 – Sun Orchard, Inc., North America’s premier juice, juice based Beverage and Bar Mixers manufacturer for the foodservice and grocery industries proudly announces Fuji Apple Juice in two delicious sizes.

- ◆ Award winning Fuji Apple Juice is made with freshly pressed apples from the apple orchards of New York State.
- ◆ Not from concentrate, Fuji Apple Juice is fresh pressed to taste the way apple juice is meant to taste!
 - ◆ No sugar added!
 - ◆ 50 day refrigerated shelf life from bottling date
 - ◆ Available in two sizes:
 - 16 oz. “grab n go” (packed 12 to a case)
 - ½ gallon (packed 6 to a case)

“Fresh pressed Fuji Apple Juice takes you back to the days when you could grab a bottle of cold, fresh apple juice from a fruit stand or apple orchard down a country road. Fuji Apple Juice is the way Mother Nature intended apple juice to taste” said Marc Isaacs, Sun Orchard CEO & President

Sun Orchard Fuji Apple Juice will soon be available across North America from leading foodservice distributors and select grocers.
